Please use main entrance by the Red Barn, pull down the driveway past the Cotton Gin (under construction) and the Director will come out to meet you and direct where to park. As you exit your vehicles or bus you will need to get into groups of 10 with 1 adult leader per group. Each demo station takes approximately 20 minutes. Most groups stay 2 hours, break for lunch and continue on with a self-guided tour of the village. We do recommend allowing an hour at the end of your visit to tour the entire village at your leisure.
